

How to Cable

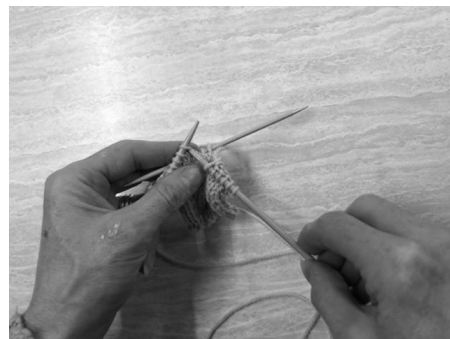

How to Cable Back:

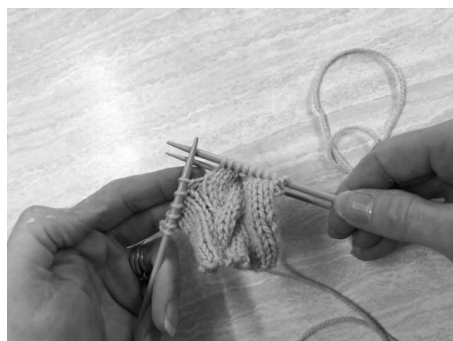

Knit until the start of your cable. This is showing cable back (this example is C6B). Slip next 3 stitches onto cable needle.

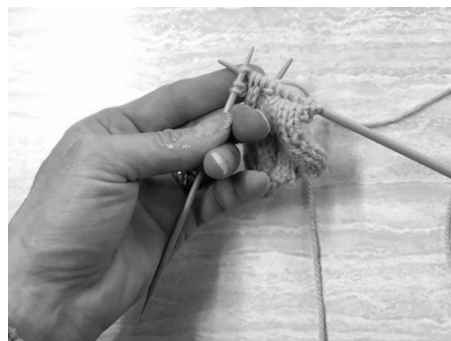

Hold cable needle at the back of your work.

Leave cable needle behind work and knit the next 3 stitches from your left-hand needle.

This is how it should look!

Holding cable needle in your left hand, knit the 3 stitches from your cable needle onto your right-hand needle.

This is how your work should look now.

How to Cable Front:

This is showing cable front (this example is C6F). Slip next 3 stitches onto cable needle and hold at the front of your work.

Knit 3 from left-hand needle, then knit 3 from cable needle as before.

This is a back cable.

This is a front cable.
